

Project Ranking Matrix Considerations

Coalition Strategic Goals

- Cooperative Regional Planning
- Increased Economic Opportunity & Public Services
- Sustainability

(see www.scic-utah.org)

Ranking Process

- Each criterion is ranked on a scale of 1-10
- Weighting between criteria is set by the Board based on responses to comparison survey

Cooperative Regional Planning

- Benefits Multiple Counties
- Private Partner Interest
- Public Support
- Public Agency Support

Increased Economic Opportunity & Public Services

- Provide High Paying Jobs
- Provide Local Jobs
- Project Risks Clearly Defined
- Return on Investment
- Time Period to Break Even
- Fundability

Sustainability

- Project Longevity
- Opens Doors to Future Opportunities
- Improves Quality of Life
- Net Environmental Affect
