25.3 If a notice is delivered under paragraph 1 or 2 of this Section 25 "NONAPPROPRIATION OF FUNDS, REDUCTION OF FUNDS, OR CHANGES IN LAW," the Entity will reimburse the Contractor for products properly delivered or services properly performed up until the effective date of said notice. The Entity will not be liable for any performance, commitments, penalties, or liquidated damages that accrue after the effective date of said notice.

25.4 Notwithstanding any other paragraph or provision of this Section 25 "NONAPPROPRIATION OF FUNDS, REDUCTION OF FUNDS, OR CHANGES IN LAW," if the Entity in said notice to the Contractor indicates that the Contractor is to immediately cease from placing any orders or commitments with suppliers, subcontractor or other third parties, the Contractor shall immediately cease such orders or commitments upon receipt of said notice and the Entity shall not be liable for any such orders or commitments made after the receipt of said notice.

26. SALES TAX EXEMPTION: The Entity is an Interlocal Governmental Entity and is exempt from sales tax. Tangible personal property or services being purchased are being paid from Entity funds and used in the exercise of that entity's essential functions. If the items being purchased are construction materials, they will be converted into real property by employees of this government entity, unless otherwise stated in the Contract.

27. PUBLIC INFORMATION: Contractor agrees that this Contract, related sales orders, and invoices shall be public documents, and shall be available for distribution. Contractor gives the Entity express permission to make copies of this Contract, related sales orders, and invoices in accordance with the State of Utah Government Records Access and Management Act (GRAMA). Except for sections identified in writing and expressly approved by the Entity, Contractor also agrees that the Contractor's response to the solicitation, if applicable, will be a public document, and copies may be given to the public under GRAMA laws. This permission to make copies as noted will take precedence over any statements of confidentiality, proprietary information, copyright information, or similar notation.

28. PATENTS, COPYRIGHTS, ETC.: The Contractor will release, indemnify and hold the Entity, its officers, agents and employees harmless from liability of any kind or nature, including the Contractor's use of any copyrighted or un-copyrighted composition, secret process, patented or un-patented invention, article or appliance furnished or used in the performance of this Contract.

29. ASSIGNMENT/SUBCONTRACT: Contractor will not assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities under this Contract, in whole or in part, without the prior written approval of the Entity.

30. DEFAULT AND REMEDIES:

30.1 Any of the following events will constitute cause for the Entity to declare Contractor in default of this Contract:

- (1) Nonperformance of contractual requirements; or
- (2) A material breach of any term or condition of this Contract.

30.2 Should Contractor be in default under any of the provisions under Subsection 30.1 above, the Entity will issue a written notice of default providing a ten (10) day period in which Contractor will have an opportunity to cure. Time allowed for cure will not diminish or eliminate Contractor's liability for damages. If the default remains after Contractor has been provided the opportunity to cure, the Entity may do one or more of the following: (1) Exercise any remedy provided by law; (2) Terminate this Contract and any related contracts or

portions thereof; (3) Impose liquidated damages, if liquidated damages are listed in the Contract; or (4) Suspend Contractor from receiving future solicitations.

31. **FORCE MAJEURE:** Neither party to this Contract will be held responsible for delay or default caused by fire, riot, acts of God and/or war which is beyond that party's reasonable control. The Entity may terminate this Contract after determining such delay or default will reasonably prevent successful performance of this Contract.
32. **PROCUREMENT ETHICS:** The Contractor understands that a person who is interested in any way in the sale of any supplies, services, construction, or insurance to the Entity is violating the law if the person gives or offers to give any compensation, gratuity, contribution, loan or reward, or any promise thereof to any person acting as a procurement officer on behalf of the Entity, or who in any official capacity participates in the procurement of such supplies, services, construction, or insurance, whether it is given for their own use or for the use or benefit of any other person or organization (Utah Code Section 63G-6a-2404).
33. **CONFLICT OF TERMS:** In order for any terms and conditions of the Contractor to apply to this Contract, they must be in writing and attached to this Contract. No other terms and conditions of the Contractor will apply to this Contract, including terms listed or referenced on a Contractor's website, terms listed in a Contractor quotation/sales order, etc. In the event of any conflict in the terms and conditions in the Contract, the order of precedence shall be: (1) Attachment A: Six County Infrastructure Coalition Standard Terms and Conditions for Professional Services; (2) Entity Contract Signature Page(s); (3) Terms and Conditions of the Contractor, if any.
34. **ENTIRE CONTRACT:** This Contract including all attachments and documents incorporated hereunder, and the related Entity solicitation documents, if any, constitutes the entire Contract between the parties with respect to the subject matter, and supersedes any and all other prior and contemporaneous agreements and understandings between the parties, whether oral or written. The terms of this Contract shall supersede any additional or conflicting terms or provisions that may be set forth or printed on the Contractor's work plans, cost estimate forms, receiving tickets, invoices, or any other related standard forms or documents of the Contractor that may subsequently be used to implement, record, or invoice services hereunder from time to time, even if such standard forms or documents have been signed or initialed by a representative of the Entity. The parties agree that the terms of this Contract shall prevail in any dispute between the terms of this Contract and the terms printed on any such standard forms or documents, and such standard forms or documents shall not be considered written amendments of this Contract.
35. **DISPUTE RESOLUTION:** In the event of any dispute under this Contract prior to any filing in any judicial proceedings, the parties agree to participate in good faith in the mediation of the dispute. The Entity, after consultation with the Contractor, may appoint an expert or panel of experts to assist in the resolution of the dispute. If the Entity appoints such an expert or panel, Entity and Contractor agree to cooperate in good faith in providing information and documents to the expert or panel in an effort to resolve the dispute.
